

PURE BREEZE FX

HEPA FUME EXTRACTOR

A portable fume extraction vacuum for soldering, micro welding, and other small projects. Utilizes an efficient multi-stage filtration system with a HEPA filter and a charcoal odor filter for professional grade fume extraction.

MODEL FEATURES

- HEPA filter (MERV 17 equivalent) captures 99.97% of particulates at 0.3 micron
- Charcoal odor filter traps hazardous fumes, volatile organic compounds, etc.
- High-suction turbine motor
- Quiet 54 dBA operation
- Foot pedal for hands-free start/stop
- Sturdy casters for easy movement across floor
- Durable steel casing suitable for any industrial environment
- 4 speed adjustment
- 4-foot long adjustable flexible capture hose with 5.75-inch capture mouth
- Vaniman warranty
