(220V/240V opt.)

10 lbs.
(4.5 kg)

Vaniman warranty

Works best during operatory use or as a space-saving dust collector where primary suction cannot be plumbed.

Replace an existing drawer, or mount under countertops, cabinets or tables with the "Universal Mount" option.

FILTER BAGS (PART NUMBER 97089)

Replace every 3 months,
or when 1/2 full

- Filters 97% of particles down to 1 µm
- Made by hand in Southern California
- Easy to replace
- Also suitable for use in Non-Vaniman dust collectors

Easy to pull out
Easy to operate
Easy to maintain
Built to last

The Vaniman Dental Drawer S has a quiet built-in motor and filter bag for easy-access suction. Simply pull out the unit from any standard drawer space or from the Universal Mount bracket and turn it on for fast, safe dust collection.

This unit is designed for clinics and small labs.
