

The

Flexshield

by VANIMAN

Now a protective shield that moves easily and quickly in any direction for a non-confining work area.

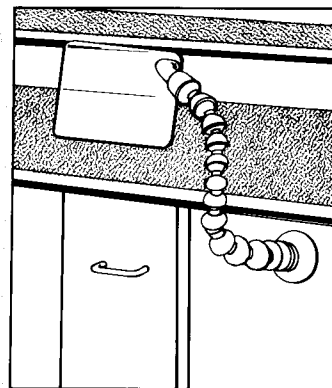

A Versatile Shield

*Protection from
Flying Dust
& Debris*

Versatile

Three mounting options are available: a movable magnetic base, a self-stick adhesive base, or a permanent fixed mount.

Moveable, magnetic base mounts securely to metal cabinetry or equipment.

Protective

Provides protection and safety while grinding and polishing.

Flexible

Shield rotates 360° while the arm bends freely for ease in positioning to work area.

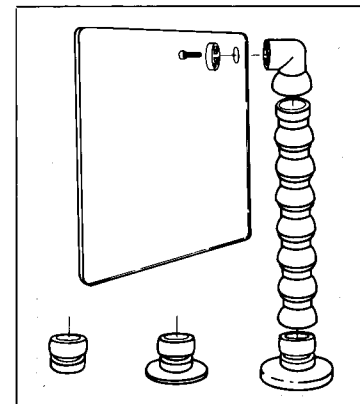

Durable

Features 1/8" thick durable scratch resistant, replaceable shield.

Fixed, self-stick adhesive, or magnetic mount options.

Three Mount Options

- VMC-A391 Flexshield (w/fixed base)
- VMC-A392 Flexshield (w/magnetic base)
- VMC-A393 Flexshield (w/adhesive base)
